### Transforming teaching and learning with CAT4

“This practical, hands-on workshop will provide guidance in best practice for both experienced users of the GL Education Group's CAT4 cognitive ability test as well as those who are evaluating how to enhance their teaching effectiveness through the use of formative assessment.

The teaching challenges addressed by this workshop will include:

- Admissions
- Personalising teaching to suit a student's preferred learning style
- Using ability scores and attainment data to set baselines and measure value add
- Identifying gifted and talented, and SEN students
- Accurately assessing the true potential of EAL students
- Communicating targets effectively with parents and students
- Having internationally recognised benchmarks to aid self-assessments and inspections
