

SATURDAY SESSION

The Bangkok Teachers Network, in association with Bangkok Prep and the International School Eastern Seaboard, presents an Assessment for Learning Conference, part of the BTN's Saturday Session series.

We are currently looking for volunteers to lead workshops and to host job-alike discussions. Presenters will be entitled to attend the conference free of charge. For each session leader, schools will be guaranteed five places for additional conference delegates. Any further places will be allocated on a first-come, first-served basis.

Workshops will be scheduled to last 45 minutes. Presenters will have access to computers and interactive whiteboards along with any stationery required. Collaborative presentations are welcome, along with offers of longer workshops split into two parts.
