

BISAC Golf 2016 – Hosted by Shrewsbury

This year the BISAC golf championships were hosted by us at Lotus Valley Golf Resort. The BISAC Championships are the end-of-season culminating event so it is what each team has been building up to. Shrewsbury Golf team has had some brilliant team performances this year, so hopes were high to build on the recent successes at the FOBISIA event.

We were all a little worried when we awoke to rain in central Bangkok on the morning of the event, but our fears were soon forgotten as we headed out towards Chachangseo and the rain quickly disappeared to be replaced with the normal blazing sunshine. The event was well attended with 83 golfers participating from across the BISAC group of schools. A briefing was held to officially start the tournament at 1030 and the referees from the TGA explained how the day was going to be officiated. Both tees started simultaneously at 11am, with the top golfers teeing first from the 7016 yard black tees. The younger and less experienced golfers were playing progressively shorter course lengths; 6500 blue, 6000 white and 5500 red tees.

There was some fantastic golf played through the day. There were many highlights from Shrewsbury; Tanya 79, Arm 79, Gus 81, Ryu 83, M 83 and Muffin 85. Even the coaches played well with Freddie Edmunds at -2 (70)! These results converted into 3rd place finishes for Tanya, Muffin and M, and the team achieving another third place finish.
