Dear Parents,

If you would like your carer to be able to borrow books from the library, please fill out this form and give it to them to take to the library after school, along with their normal ID badge.

- I would like our carer to be able to borrow books from the school library before and after school (from 7.00-7.50am. and 2.20-4.00pm.).
- I understand that they can borrow up to ten books and two other items at a time, and that all items must be returned by the date stamped on them.
- I understand that each family can have two parents and one carer who can become a member of the library.
- Library staff will be informed if my carer changes.
